About LA Fleet Week

LA FLEET WEEK is an annual, multi-day public event held on the LA Waterfront at the Port of Los Angeles, also known as America's Port. The event coincides with Fleet Week New York, enabling a true coast-to-coast celebration of our nation's Sea Service.

LA Fleet Week provides a unique opportunity for citizens of Los Angeles and beyond to interact with Sailors, Marines, Soldiers, and Coast Guardsmen, as well as witness firsthand the capabilities of today's maritime services

Audience and Impact

Thousands of attendees from across Southern California gather for LA Fleet Week, including families, veterans, military personnel, and tourists. The event receives significant media coverage and offers exceptional community visibility.

Fleet Week Special Event and Location Sponsorship

Community Resiliency

Leadership Panel Summit

LA Fleet Week Leadership Summit brings the military, public and private sectors together for important discussions of local and national importance. These discussions act as opportunities for leaders of every industry to network and discuss how they can mutually help each other in protecting our blue economy.

Defense Support of Civil Authorities (DSCA)

LA Fleet Week strengthens local and regional disaster preparedness and response abilities by facilitating the building of relationships between regional first responders, military, and emergency planning professionals. The DSCA Summit provides the opportunity for open dialogue on the response and recovery phases of a catastrophic disaster affecting the region.
